10.12.020 DEFINITIONS. As used in this chapter, unless the context indicates otherwise:

(c) "County road" means a road open for public travel and maintained by Benton County.

The Benton County Planning Department shall review the proposed name(s) with the Benton County Public Works Department and, if appropriate, any interested city public works department, to determine which, if any, proposed names are unique so as to avoid confusion with any existing names of public roads, private roads, or easements. Upon such determination, the name(s) determined to be unique shall be forwarded to the Benton County Board of Commissioners.
