This packet is designed to assist you in preparing your application for a Conditional Use/Special Permit. Application(s) may be submitted to the Benton County Planning Department, P.O. Box 910, 1002 Dudley Avenue, Prosser, WA 99350 or to the Benton County Building Department, 5600 W. Canal Drive, Kennewick, WA 99336 between the hours of 8 a.m. and noon and 1 p.m. and 5 p.m., Monday thru Friday.

Please provide the following information at the time of submittal. If any of the following information is not available we may not be able to process your application.

1. **A completed application form and applicable non-refundable fee of \$700.00.** Please be as specific as possible with regard to your proposed use on the application, you may use an additional sheet, if necessary. **ALL persons with an ownership interest in the property on which the land use action is proposed must sign the application other than interests exclusively limited to ownership of the parcel's mineral rights.**
2. **Environmental Checklist (EA) and non-refundable fee:** If an environmental checklist is required it will need to be submitted along with the **application fee of \$300.00** at the same time as the conditional use/special permit application.
3. **Detailed scaled drawing showing the following:** location of proposed shop, business or manufactured home, size of the shop/business/manufactured home, access to the site, easements, parking spaces, etc. **Please see attached sample site plan.**
4. **Written approval from the respective municipality** if the property will be served by a public water and/or sewer system.
5. **PLEASE NOTE:** Contact the Benton County Building Department at 735-3500 or 786-5622, if you are changing the use of a building or portion thereof, as you may be required to make changes to the building in order to be in compliance with the Uniform Building Code, Uniform Fire Code, the American Disability Act, etc. This may prevent the expending of application fees only to find out that the remodeling or altering of the original use of the structure cannot be cost effectively remodeled for the intended use.

Any information submitted to the Benton County Planning Department is subject to public records disclosure law for the State of Washington (RCW Chapter 42.17) and all other applicable law that may require the release of the documents to the public.

NOTE: THE APPLICATION FEE IS NON-REFUNDABLE. THERE ARE NO GUARANTEES THAT YOUR APPLICATION WILL BE APPROVED.

Upon acceptance of your application, a file will be setup and the application routed to appropriate reviewing agencies. Each agency will review your application and provide the planning department with their comments.

The application will be heard before the Benton County Hearings Examiner at an Open Record Hearing. **THE EXAMINER REQUESTS THAT THE APPLICANT OR A REPRESENTATIVE BE PRESENT** to answer any questions the Examiner may have relative to the proposed use. You will be notified by mail as to what date your application will be heard. After the open record hearing and based upon the findings of fact, the Hearings Examiner will determine whether the conditional use is to be granted, granted with conditions or denied. Written notification of that decision is then sent to the applicant. Upon receipt of the written confirmation that the conditions of approval (if any) have been met and after the Planning Department has conducted a final inspection your permit will be issued. **The use cannot be conducted on the site until the permit is issued.**

APPEALS: Decisions of the Hearings Examiner shall be final unless the original applicant or a party with standing makes an appeal per RCW 36.70C after the written notice of decision has been rendered.

TIME FRAME: Once the application is deemed complete, the review process will begin and provided there is no continuation of the application or an EIS is required, a decision the Conditional Use Permit will be made within 120 days.
