9.13.05 Open or promotional Eligibles may request that their name be placed on an inactive list due to temporary disability or unavailability for employment or place reasonable restrictions on the types of positions for which certified, *e.g.*, selected shifts or geographic assignments. When such requests are approved by the Chief Examiner/Secretary, the Eligible shall only be certified within the limits specified and failure to certify shall not jeopardize eligibility based on the disqualifications in Section 9.13.02 (a) above.

9.14 PROVIDING INFORMATION TO CANCELED ELIGIBLES. When notifying an Eligible of removal from the Eligibility List, the basis for the removal shall be included in the correspondence. Although certain aspects of the testing materials contain confidential or privileged information, the applicants will be provided with reasonable, general information as to the basis for the removal. 9.16 REAPPLICATION OF NAMES REMOVED FROM ELIGIBILITY LISTS. When a person is removed from an Eligibility List for cause as indicated in Section 9.13 - CANCELLATION OF ELIGIBILITY, such individual becomes ineligible to reapply for that position and all other classified positions within the Benton County Sheriff's Office for a period of twelve (12) months from the date of written notification.

9.17 REVOCAION OF LISTS. An employment or promotional list may be revoked and another Examination ordered only when such action is deemed advisable because of fraud, error or obviously inappropriate standards prescribed in connection with the Examination, and plainly inadequate results obtained therefrom. No list shall be altered or revoked except upon written notice to all persons whose standing may be affected.

9.18 APPEAL. Whenever a person's name is removed from an Eligibility List, such person has the right to appeal, and must notify the Chief Examiner/Secretary in writing within ten (10) calendar days of receipt of notification. Written notifications must state the basis for the appeal.

10.01 GENERAL PROVISIONS. Except as provided otherwise by these rules, vacancies in the classified civil service shall be filled by Certification and appointment following a competitive examination. Vacancies filled will be by reinstatement, promotional, appointment, assignment, original appointment, transfer, reduction or demotion.

10.03 REQUEST FOR CERTIFICATION. Whenever the Appointing Authority wishes to fill a vacancy, a request for Certification shall be submitted to the Chief Examiner/Secretary. The request shall show the number of positions or vacancies to be filled, the class title, tenure of work to be performed, cause of the vacancy, or if a new position, authority for the appointment, and any other details necessary for full description of the position to be filled. This may be done 30 days before the position is vacant.

- (a) Reinstatement
- (b) Promotional
- (c) Original (including lateral entry registry).

10.05.02 ORDER OF REINSTATEMENT—ELIGIBLE.

- (a) If a vacancy is to be filled from the reinstatement register, the following shall be the order of certification:
 - (1) Regular Employees in the order of their length of service. The regular employee on such register who has the most service credit shall be first reinstated;
 - (2) Probationers, without regard to length of service. The names of all probationers upon the reinstatement register shall be certified together.
- (b) Upon request from the Appointing Authority, the Chief Examiner/Secretary may authorize reinstatement out of such regular order upon a showing of efficiency or that such action is for the good of the service, after giving the Employees adversely affected an opportunity to be heard.
- (c) Nothing in this rule shall prevent the reinstatement of any regular or probationary Employee for the purpose of transfer, to the same class or for voluntary reduction in class, as provided in these rules.

10.05.03 CERTIFICATION. If a vacancy is to be filled from a promotional or original register, the Chief Examiner/Secretary shall certify to the Appointing Authority the names of the three (3) available Eligibles that stand highest on the appropriate register/list.

- 10.05.05 MULTIPLE VACANCIES. If two (2) or more vacancies are to be filled from any of the above registers/lists other than the reinstatement register/list, the name of one (1) additional person shall be certified for each additional position.
- 10.05.07 ADDITIONAL NAMES. If an Appointing Authority makes an acceptable showing that any of the Eligibles certified are not available or that they do not respond, sufficient additional names shall be furnished to complete the certification.
- 10.05.09 SPECIAL SKILLS. Where a certification of Eligibles with special experience, training, or skills is requested in writing by the Appointing Authority as being necessary for satisfactory performance in a particular position, and the Chief Examiner/Secretary determines that the reasons given fully justify the request, a certification may be made of only the highest ranking Eligibles who possess the special qualifications.
- 10.05.11 PRIOR SERVICE. If a temporary vacancy is to be filled from an open or a promotional register, those Eligibles with three (3) months of service who are shown on the register/list as having been laid off within the last twelve (12) months from the office in which the vacancy exists shall be placed in grade order at the head of the register/list of Eligibles for certification according to rule.
- 10.05.13 APPLICATION/EXAMINATION. The application and the Examination papers of a certified Eligible shall be available for inspection by the Appointing Authority.
- 10.07 DEFERMENT OF CERTIFICATION. The Chief Examiner/Secretary may grant deferment of Certification of an Eligible upon receipt from the Eligible of a written request with satisfactory reason therefore. Such deferment will thereafter prevent certification of such Eligible until the next vacancy occurring after the Eligible has given written notice of his/her desire to be returned to the Eligibility List, and such return has been approved by the Chief Examiner/Secretary.
- 10.09 DURATION OF CERTIFICATION. Certification shall be in effect for thirty (30) days from its date of issuance. The Appointing Authority must file a report of any appointment from such certification with the Chief Examiner/Secretary. Upon request, the Chief Examiner/Secretary may extend such certification for additional thirty (30 day) periods. Expiration of eligibility shall not cancel the validity of a certification.
- 10.11 REGULAR APPOINTMENT. A regular appointment to fill a vacancy must be made from the names contained on the official certification. The official appointment report shall show the name of the person appointed, the effective date, the salary, the nature or duration of the appointment, and any other information required.
- 10.13 PROVISIONAL APPOINTMENT.
- 10.13.01 Where there is no suitable Eligibility List from which certification can be made, the Chief Examiner/Secretary may allow the Appointing Authority to make a provisional appointment. A provisional appointment may be made for a period of up to six (6) months, and may not be extended for a longer period of time. No person shall receive more than one (1) temporary appointment in any twelve (12) month period.
- 10.13.02 All provisional employment in a class shall cease at the earliest possible date and shall not exceed thirty (30) days from date of notice that a proper eligibility list for such class is available; provided, an extension may be granted by the Chief

Examiner/Secretary upon satisfactory written showing by the Appointing Authority, if such extension will not cause the provisional appointment to exceed the four (4) month limitation.

- 10.14 TEMPORARY APPOINTMENT. An appointment from an eligible or promotional list in the usual manner, but to fill a position, the duration of which does not exceed five (5) months in any twelve (12) month period. In making such an appointment, the Appointing Authority shall make a requisition to the Chief Examiner/Secretary in the manner provided for regular appointment, but shall indicate the time at which it is estimated the position terminates. The Chief Examiner/Secretary will notify the person or persons appearing on the appropriate list, indicating the nature of the position and its duration, to learn who may be willing to accept temporary appointment. The names highest on the eligible register/official certification, willing to accept, shall be certified for appointment.
- 10.14.01 In the event of the need to fill a position for a limited duration not to exceed five (5) months, and there is either (a) no suitable Eligible register/list from which Certification can be made; or, (b) no eligible is willing to accept temporary appointment, the Chief Examiner/Secretary may authorize the Appointing Authority to make a temporary appointment.
- 10.14.02 In the event of the need to fill a position for a limited duration not to exceed five (5) months, and there is either (1) no suitable Eligible roster from which certification can be made; or, (2) no Eligible is willing to accept temporary appointment, the Chief Examiner/Secretary may authorize the Appointing Authority to make a temporary appointment.
- 10.14.03 No temporary appointment may be continued and no person may be employed on a temporary basis, for more than five (5) months in any twelve (12) month period. Temporary service shall not be credited to the probationary period or for calculation of service credit.
- 10.15 EMERGENCY APPOINTMENT: To meet the immediate requirements of an emergency condition which threatens life or property, the Appointing Authority may employ any persons or persons when they may be legally empowered to appoint. Such appointment shall be without restriction under these Rules. Emergency employment shall be limited in duration of the emergency period and shall in no event exceed thirty (3) days without Commission approval.
- 10.16 EXTENSION OF APPOINTMENTS: Notwithstanding the provisions of Sections 10.13 and 10.14 above, and in recognition of the staffing issues created by disability leave and retirement programs under chapter 41.14 RCW, military service leaves, and other programs, the Commission may extend provisional and Temporary Appointment authority beyond five (5) months upon application of the Appointing Authority. Such an extension may be granted when a position is vacant as a result of a disability leave, active military service, or such other reason as the Commission finds may preclude a timely and regular appointment.
- 10.17 APPOINTMENTS TO VACANCIES RESULTING FROM REGULAR EMPLOYEES ON INDEFINITE MILITARY LEAVE OF ABSENCE. A position vacant as the result of a regular employee on indefinite military leave shall be considered as a permanent position and shall be filled in the manner provided for in these rules. However, if an eligible that is on the eligibility list is recalled or enlists, his/her position on the list may be frozen until his/her return, subject to review of military status.

11. PROBATION

11.01 PROBATIONARY PERIOD.

11.0101 All full-time or part-time regular appointments from an Eligibility List shall require successful completion of a probationary period. The probationary period shall be considered as the final portion of the examination process and shall be used to evaluate the qualifications, conduct and performance of employees.

11.0102 Except as provided in Section 11.07, below, transfers and demotions to a new classification shall require successful completion of a new probationary period. [In the same class from one office to another, the receiving office/department may, with the approval of the Chief Examiner/Secretary, require that a complete probationary period be served in that office.]

11.0103 A regular Employee who has been voluntarily or involuntarily demoted to a lower classification within the same job family, shall not be required to serve a new probationary period in the lower classification.

11.03 LENGTH OF PROBATIONARY PERIOD. The period of probation shall be equivalent to twelve (12) months of full-time service following appointment from an eligibility list. Minor absences due to vacations, annual military leave, illnesses, etc., shall not be construed as interrupting the probationary period, provided however, a minimum of one thousand, eight hundred, twenty-four (1,824) regular paid hours (or the pro-rated equivalent for part time Employees) shall be required for completion of the probationary period. The probationary period shall be extended as necessary to meet this requirement.

11.05 INTERRUPTION OF PROBATIONARY PERIOD BY MILITARY SERVICE: A probationer who engages in active military service on an extended basis, shall be considered as having an interrupted probationary period. Such Employee may continue the probationary period following return from military leave.

11.07 SERVICE IN ANOTHER CLASS. Upon request of the Appointing Authority and with the approval of the Chief Examiner/Secretary, service in another lateral or higher classification may be credited toward completion of a probationary period when it can be determined that the Employee's service in the former classification adequately demonstrates the employee's qualifications and performance in the new Classification. [If the Chief Examiner/Secretary has approved the written statement of the Appointing Authority to the effect that the probationary period may be properly judged on the basis of service in the other class or office].

11.09 PROBATIONARY DISCHARGE OR DEMOTION.

11.09.01 The Appointing Authority may discharge any Employee serving an original probationary period. Such action need not be based on just cause and shall not otherwise be reviewed by the Commission, except as provided in Section 20.01.

11.09.02 An Employee serving a promotional probationary period may be demoted to his/her former classification on the basis of unsatisfactory performance in the higher classification. Such action shall not be subject to the just cause standard or review by the Commission. A promotional probationary Employee who is discharged or otherwise disciplined shall be entitled to appeal the discipline to the Commission.

12. SERVICE CREDIT

12.01 Except as otherwise defined in these rules, service and seniority shall be defined as follows:

12.01.01 For retirement and accrual of paid leave, an Employee's length of service shall be based on the last date of hire in a regular position with Benton County. For retirement purposes, Employees who separate from Benton County service and are reemployed shall be given credit for the prior service in accordance with the rules and procedures of the applicable retirement system.

12.01.02 For layoff service and step increases, an Employee's length of service shall be based on all continuous active employment within the Employee's current classification.

12.01.03 Employees shall continue to accrue service credit during any period of paid leave or during unpaid leaves of absence of less than fifteen (15) calendar days. Employees shall also accrue service credit during military, Peace Corps, US Public Health and industrial injury leave as and to the extent required by state and federal law.

12.01.04 Employees shall maintain, but not accrue, service credit during unpaid leaves of fifteen (15) days or more or while on an active recall list provided that the Employee is recalled to service in a regular position.

12.01.05 Employees who resign and are reinstated under Section 9.05 or who are recalled from an active layoff list shall receive credit for service prior to resignation. All other service prior to a break in service caused by termination shall be lost.

12.02 Service credit for salary step increases shall be based on the date of the Employee's appointment or promotion to the current classification. Upon reclassification, lateral transfers or demotions, the Employee's eligibility date shall remain unchanged.

13. TRANSFER-REDUCTION

- 13.01 GENERAL. The transfer of an Employee shall not constitute a promotion in the service, except as provided in Rule 13.03.04, below.
- 13.02 INTRA-OFFICE TRANSFERS. The Appointing Authority may transfer an Employee from one position to another position in the same class in the same office without prior approval of the Chief Examiner/Secretary, but must report any such transfer to the Civil Service Department within five (5) days of its effective date.
- 13.03 PROCESS. Transfers may be made upon consent of the Appointing Authority and with the Chief Examiner/Secretary's approval as follows:
- 13.03.01 Transfer in the same class; such a transfer may be made concurrent with the appointment of an Employee to another class;
- 13.03.02 Transfer to another class in the same in case of injury in line of duty either with Benton County service or with the armed forces in time of war, resulting in permanent, partial disability, where a showing is made that the transferee is capable of satisfactorily performing the duties of the new position;
- 13.03.03 Transfer, in lieu of layoff, may be made with limited standing to a single position in a lower class, upon showing that the transferee is capable of satisfactorily performing the duties of the position and that a regular Employee or probationer is not displaced. Regular standing in the new class may be attained by the Employee only through examination and permanent regular appointment.
- 13.03.04 Transfer, in lieu of layoff, may be made with limited standing to a single position in another class when such transfer would constitute a promotion or advancement in the service; provided, a showing is made that the transferee is capable of satisfactorily performing the duties of the position and that a regular Employee or probationer is not displaced and when transfer in lieu of layoff under Rule 13.03.03 is not practicable. Regular standing in the new class may be attained by the Employee only through examination and permanent regular appointment.
- 13.03.05 The Chief Examiner/Secretary may approve a transfer under this Rule 13.03, with the consent of the Appointing Authority, upon a showing of circumstances justifying such action.
- 13.04 LIMIT OF RULE. These rules have no authority or effect on positions or departments and offices not subject to the Civil Service. Transfer to or from positions or departments or offices not subject to the Civil Service are unaffected by these rules.
- 13.05 REDUCTION.
- 13.05.01 AUTHORIZED. As defined in Rule 4.52, a reduction is the movement of an Employee from a higher class to a lower class of employment for reasons other than cause. A reduction may be made only upon an Employee's written request, and consistent with these Rules.
- 13.05.02 APPLICABLE CLASSES. A reduction may be approved for:

- (a) the next lower or any lower class in the Class Series containing the class from which reduced;
- (b) any lower class in which the Employee has previously acquired Regular Standing, provided there has been no intervening forfeiture; or
- (c) any lower class which is substantially similar to any lower class (in the employee's current class series) in the position classification plan; or
- (d) Employees seeking return to employment or reemployment from a disability, to a vacant position in another permissible class for which the Employee qualifies.

13.05.03 PROCEDURE.

- (a) A request for reduction must be submitted in writing to the Chief Examiner/Secretary. The request must include statement of justifiable or satisfactory reason, including a showing that the employee meets the qualifications of the lower class.
- (b) The reduction must be approved by the Appointing Authority and reported to the Commission.
- (c) The reduction shall take effect on the date ordered by the Chief Examiner/Secretary.

13.05.04 EFFECT OF REDUCTION.

- (a) Upon the effective date, or following satisfactory completion of any trial period, the reduction shall be complete and the employee shall have Regular Standing in the lower class and department to which reduced.
- (b) An Employee reduced shall be able to return to the former position only by examination and regular appointment. In the event of a recovery from disability, an Employee reduced in class may be eligible for appointment from a reinstatement register/list.

13.05.05 REDUCTION AVAILABLE.

- (a) By Employee. A voluntary reduction may be sought by an Employee for any vacant position in a class under Section 13.05.02.
- (b) By Department.
 - (1) Employees with Standing. Reduction involuntarily of an Employee from a higher civil service class to a lower civil service class is governed by Rule 13, Layoff. Return of an Employee from an exempt position to a Civil Service position is governed by Rule 15, Leaves of Absence.
 - (2) Employees without Standing;. When an employee is reduced from an exempt position, the Employee may petition in writing the Commission within ten (10) days of the end of employment in the exempt position for placement on a reinstatement register for a class for which the Employee is deemed eligible. In considering the placement of the Employee, the Commission may consider the employee's experience, the record of

County employment, or such other factors as deemed in the best interest of the System. The Commission's decision shall be deemed permissive and discretionary, and an Employee shall have no claim or cause for denial of placement on a reinstatement register.

- 13.05.06 The Commission may, in its judgment and discretion, provide in the order granting or approving any reduction, that the Employee shall serve a designated trial period, not to exceed one (1) month's service from the effective date of the reduction, in the position to which reduced for the sole purpose of satisfying the Commission that Employee is capable of satisfactorily performing the functions and duties of such position or class. **PROVIDED:** the Commission may for cause shown, at any time during the prescribed trial period, extend, shorten, modify or waive in whole or in part the duration or balance of such period.

14. LAYOFF

- 14.01 The Appointing Authority may lay off any employee in the Classified Service whenever such action results from shortage of work or funds, the abolition of a position because of changes in organization, budget adjustments directed by the Board of County Commissioners or other reasons outside the Employee's control of a non-disciplinary nature; HOWEVER, no regular employee shall be laid off while there are temporary, provisional or probationary Employees serving in the class for which the regular or probationary Employee is eligible and available.
- 14.03 Layoff of regular Employees shall be made in inverse order of seniority in the classification. The Sheriff or designee may authorize layoff out of seniority order pursuant to the applicable collective bargaining agreement, when authorized by the Chief Examiner/Secretary, when there is a showing that an Employee who would otherwise be laid off possesses critical skills or training required for the continued operation of the department. An Employee who is laid off by virtue of the exercise of this option may appeal the decision to the Commission. In the event that there are two (2) or more Employees eligible for layoff with the same service in the Classification, the order of layoff shall be based first on total service in the Sheriff's Office and then, total Benton County service.
- 14.05 Provisional and temporary Employees shall be laid off prior to the layoff of probationary employees and in any order determined by the appointing authority. Employees serving an original probationary period shall likewise be laid off in an order determined by the appointing authority based upon demonstrated performance and qualifications. The names of probationary Employees laid off under this section shall be entered on the eligibility list for the classification from which they were laid off in order of seniority and shall be certified to available vacancies ahead of outside candidates but otherwise in accordance with these rules. Probationary Employees shall be eligible for reemployment under this procedure pursuant to the applicable collective bargaining agreement.
- 14.07 In lieu of layoff, a regular Employee may request reassignment to a position in a lateral or lower classification in which the Employee had attained regular status by successfully completing the probationary period. In such event the employee may bump the employee with the least seniority in the Classification to which reassignment is requested provided the employee is qualified to perform the assignment. An Employee who is no longer certified through the state due to having promoted or moved laterally to a civilian assignment, will be considered otherwise qualified unless he/she is unable to successfully complete the academy requirements within the first year of returning to the formerly held position. Seniority for bumping under this section shall include seniority in the classification from which the Employee was laid off and seniority in the Classification to which reassignment is requested.
- 14.09 The names of Employees who are laid off or displaced under this rule will be placed on the recall list for the Classification previously occupied in inverse order of layoff. The recall list will remain in effect pursuant to the applicable collective bargaining agreement.
- 14.11 An Employee who is laid off may request that the office place his/her name on the reemployment list for a lower Classification in the Sheriff's Office in which the Employee had attained regular status by successfully completing the probationary period. Placement on the recall list for a lower Classification will be based on seniority in the Classification from which the employee was laid off and seniority in the Classification for which recall rights are requested.
- 14.13 At the time of employee notification of layoff, the Sheriff's Office shall advise the Employee of the terms of this section and the employee shall advise the office within seven (7) days of any option he or she wishes to exercise under the terms of this Article.

- 14.15 The Appointing Authority shall notify an Employee on the recall list of his/her recall to work by certified mail to the Employee's last known address. The Employee shall respond in writing within seven (7) days of receipt of such notification or forfeit his right to recall under this Article.
- 14.17 An Employee who bumps into a lateral classification (*i.e.*, a Classification with an identical maximum base wage rate) shall retain the base rate he or she last held in the classification from which he or she bumps. An Employee who bumps into a lower Classification (*i.e.*, one with a lower maximum base wage rate) shall initially be placed in the highest step in the lower range not exceeding his/her former base salary. An Employee who is recalled from layoff status shall be placed at his/her former step.

15. LEAVES OF ABSENCE

- 15.01 Under all circumstances leave requests will conform to the Employee's respective collective bargaining agreement and Benton County policies and procedures.
- 15.02 The Appointing Authority may grant a regular Employee a leave of absence without pay for a period not exceeding twelve (12) calendar months for medical, educational or compelling personal reasons, and shall give notice of such leave to the Commission.
- 15.03 At the expiration of an authorized leave of absence, a regular Employee shall be returned to the same classification and salary step as was held prior to the leave of absence.
- 15.05 CIVIC DUTY LEAVE. Leave with pay shall be granted as necessary to allow employees to serve as a member of a jury, to take examinations for Benton County positions, or to vote. Any compensation received by the Employee for such duties, excluding mileage allowance, shall be waived, remitted to Benton County, or, in the alternative, Benton County shall pay the difference between the Employee's regular salary and the fees received. Service as a witness in matters arising from the course and scope of employment shall be considered on-duty time. Service as a witness or party to non-job related matters shall be unpaid or charged against the Employee's accrued leave balance.
- 15.07 OTHER LEAVE. Paid leave shall be granted Employees in accordance with federal and state laws or local codes and ordinances as required for military service, including without limitation, US Public Health and Peace Corps leave, parental and job-related disability leave.
- 15.09 REPLACEMENT FOR EMPLOYEES ON LEAVE. All temporary employment caused by leave of absence shall be made pursuant to Article 10.

16. RESIGNATION

- 16.01 Resignation of any Employee from the service shall be made in writing and filed with the Appointing Authority. The Chief Examiner/Secretary shall be notified of any resignation of a regular or probationary Employee in the classified service.
- 16.02 Regular Employees who resign in good standing may be eligible for reinstatement under Section 9.05 for two (2) years following resignation. After that date, former Employees may only be appointed to positions in the classified service by competitive examination.
- 16.03 Implied Resignation. The Appointing Authority may presumptively consider any Employee to have impliedly resigned upon finding that such Employee has been absent from duty without leave or authorization, or has failed to report to duty following the expiration or termination of any suspension for five (5) or more consecutive working days, or has quit or “orally resigned” and has been absent from duty for three (3) or more consecutive working days without leave or authorization. An Employee will not be determined to have resigned under this rule until five (5) days after proof of service of a written notice by delivery or by registered or certified mail to the employees last known address as filed with the Personnel Resources Department. No resignation order shall take effect if, prior thereto, the Employee reports for active duty, applies for restoration or reinstatement, or otherwise give notice to the Appointing Authority or the Personnel Resources Department Manager which, in the judgment of the Commission, rebuts the presumption of resignation.

17. DISCIPLINE AND DISCHARGE

- 17.01 The Appointing Authority may discipline a regular employee in good faith for cause. Discipline subject to this requirement is limited to suspension, demotion, reduction in salary step, denial or postponement of salary step increases, or discharge. Suspensions generally should not exceed one (1) month and should generally be employed in cases of misconduct and not for performance-based problems. Suspensions of FLSA exempt (salaried) employees are not encouraged. When used, they must be in increments of one (1) or more calendar weeks to preserve the salaried status of these employees under the FLSA. Partial week suspensions are only permitted for significant safety infractions. Such actions may be appealable to the Commission as provided herein. Oral and written warnings or reprimands, reassignments or other actions not resulting in a loss of pay are not subject to the provisions of this chapter.
- 17.02 Employees serving an original probationary period may be disciplined for any lawful reason and shall not be entitled to review under this rule. Employees serving a promotional probationary period shall not be entitled to request review of disciplinary demotions to the former classification but shall otherwise enjoy all rights afforded regular Employees.
- 17.03 The following are considered to be cause for discipline:
- 17.03.01 Unsatisfactory job performance including incompetency, inefficiency, carelessness or inattention to duty, negligence or dereliction of duty, unprofessional conduct or appearance or failure to maintain knowledge, skills, abilities or licenses and certifications required for effective job performance;

- 17.03.10 Unsatisfactory attendance or punctuality

- 17.03.12 Failure to maintain satisfactory working relations with the public, other employees or superiors, including intemperance or discourtesy.
- 17.04 ADMINISTRATIVE LEAVE. The Sheriff's Office may place an Employee on administrative leave, with or without pay, pending an investigation. To the extent the Sheriff or any subsequent appellate body finds that discipline is not sustained, the Employee shall be compensated for any loss in pay.
- 17.05 PERSONNEL FILES.
 - 17.05.01 Access to the Employee's personnel file shall be limited to the Employee, his/her authorized representative, officials of Benton County and the Sheriff's Office and such other persons or agencies as may be allowed under state and Benton County laws and regulations.
 - 17.05.02 Employees shall be provided copies of all adverse material to be included in their personnel file and shall have the right to attach statements in rebuttal or explanation, upon written request.

18. PREDISCIPLINARY MEETING

18.01 PREDISCIPLINARY MEETING-REQUIRED. The Appointing Authority shall provide and arrange for a predisciplinary meeting prior to demotion, suspension without pay or discharge. This meeting under Rule 18 herein is not subject to Rule 19, herein, and does not require witnesses, presentation of evidence or other formalities. It is an opportunity for an Employee to present to the Appointing Authority the Employee's response to the decision on discipline.

18.03 PRE-DISCIPLINARY MEETING-STANDARDS/NOTICE OF DISCIPLINE.

18.03.01 In the event of discipline at the level of a salary step reduction, demotion, suspension, or discharge of a regular employee, an employee shall be provided with a written notice of the basis for discipline and recommended disciplinary action. The Employee shall be given an opportunity to respond at a pre-disciplinary meeting or in writing, as to why the Appointing Authority should not take the proposed action. The Employee may have legal counsel or union representation, present at the meeting.

18.03.02 Information presented by the Sheriff's Office at the pre-disciplinary meeting shall be sufficient to apprise the Employee of the basis for the proposed action. This rule, however, shall not be construed to limit the employer at subsequent meetings from presenting a more detailed and complete case, including presentation of witnesses and documents not available at the pre-disciplinary meeting.

18.03.03 Should the Appointing Authority determine to discipline following the pre-disciplinary meeting, written notice of discipline shall be given to the Employee. Such notice shall include the charges against the Employee and a general statement of the evidence supporting the charges.

18.03.04 On appeal, the Commission shall not consider any basis for disciplinary action not previously presented to the Employee.

Depositions so taken shall be kept as part of the records of the Commission.
- 19.09 APPEALS--INITIAL REVIEW. The Chief Examiner/Secretary shall review all appeals to determine whether the Employee or Eligible has timely filed an appeal and whether the action appealed from is within the authority of the Commission. Such orders may be appealed to the Commission.

- 19.13 APPEALS--AUTHORITY OF DEPARTMENT. The exercise of jurisdiction by the Commission over a matter does not preclude the party from withdrawing, modifying or otherwise compromising the matter prior to the matter going to hearing. Failure to file proof of service does not affect the validity of service.

19.19.05 Upon a motion promptly made by a party or by the person to whom the subpoena is directed, and upon notice to the party on whose behalf the subpoena was issued, the Commission may:

- (a) Quash or modify the subpoena if it is unreasonable or requires evidence not relevant to any matter in issue, or

19.23.02 Witnesses in any hearing may be examined orally, under oath or affirmation, and shall be subject to cross-examination by opposing parties and the Commission.

19.23.03 When objection is made to the admissibility of evidence, such evidence may be received subject to a later ruling. The Commission may exclude inadmissible evidence and may order cumulative evidence discontinued in its discretion, either with or without objection. A party objecting to the introduction or exclusion of evidence shall state the grounds of such objection at the time such evidence is offered or excluded. Further participation in the hearing, after objection, shall not be deemed a waiver.

The request must be accompanied by supporting documentation from a physician and the appointing authority may require a separate medical evaluation.

The Employee may submit a second medical opinion from a physician of the employee's choice. In the event the medical opinions are conflicting, a third physician shall be selected who is mutually acceptable to the Appointing Authority and Employee and that opinion shall govern. If the Employee is found unfit to continue in the position the Employee shall be placed on medical leave if the disability is for less than six (6) months as provided above.
