PLANNING COMMISSION WORKSHOP:

a. Ordinance Amendments for the Periodic Update and the Zoning and Subdivision Regulations.

The State of Washington requires mandatory "periodic updates" of the entire comprehensive plan and development regulations every eight years for all "fully planning" cities and counties. Each Washington city and county must periodically review and, if needed, revise its comprehensive plan and development regulations to ensure that they comply with the GMA.

The County is now reviewing and updating its Comprehensive Plan and Development Regulations as required by the State of Washington.
