Planning Dept. Reports and Discussions:

a. Ordinance Amendments for the Periodic Update of the Zoning and Subdivision Regulations.

The State of Washington requires mandatory "periodic updates" of the entire comprehensive plan and development regulations every eight years for all "fully planning" cities and counties. Each Washington city and county must periodically review and, if needed, revise its comprehensive plan and development regulations to ensure that they comply with the GMA.

b. Ben Floyd, Anchor QEA gave a presentation on the Draft Comprehensive Plan for the 2017 Periodic Update.

c. Planning Staff gave a presentation on the amendments to the Zoning and Subdivision Regulations.

MARTIN SHEERAN, Chairman
